

Avalon 155 PowerLED

The Avalon 155 PowerLED is the ideal choice for applications where a large diameter fixture is desired. Its high brightness, natural color rendering and pleasing light source appearance are advancements that exceed typical halogen fixtures. Shallow depth and an ultra-thin trim ring allow it to fit unobtrusively into almost any headliner. Stainless steel construction ensure long life in exterior and interior installations.

An excellent choice for:

- Main salons
- Large staterooms
- Ceilings
- Overhangs

Avalon 155 PowerLED

Features

- Stainless steel housing and trim ring
- Attractive thin bezel profile
- Shallow installation depth
- Convenient self-adjusting mounting springs
- Integrated drive electronics
- PWM dimming interface
- No radiated heat

Benefits

- Substantial power savings
- High lumen output (equivalent to 25W halogen)
- Cooler cabin temperatures
- Maintenance-free; no more bulb changes
- No external driver required
